

How to Order INFO202 textbook – Step by Step

Tucker, V.M. (Ed.). (2018). *Information retrieval system design: Principles & practice (Edition 5.1)*. AcademicPub/XanEdu.

The textbook is only available from the publisher, royalty-free. Formats are eBook (Adobe Digital Editions), softcover, or spiralbound (the latter comes as 2 volumes). Hardcopies include immediate 45-day access to the eBook. See prices below.

1. Follow all the steps carefully. To begin, click

http://academicpub.sharedbook.com/serve/ac/acapub/student_product_page.html?slug=1523725398_27_46110

This takes you to the **Welcome Students** page.

Not Registered? It's Free!

Free Registration

2. Click the **Free Registration** button.

This takes you to the **Student Registration** page:

Student Registration

We're looking forward to getting you all the course materials you need.

Upon completing your **free registration** you will receive an activation link in your e-mail from support@xanedu.com.

If you don't receive an activation link please contact customer service via the link that appears at the bottom of every page.

I have read the [User Agreement](#) and agree to the terms.

I decline the terms of the [User Agreement](#).

Already Registered? [Sign-in here](#)

Enter the required information for your name, email address, and password (your choice).

Very Important: Due to copyright and royalty reasons, the book is only available to SJSU students, and it is not listed in the publisher's catalog. **At this point, you must enter the following**

For School Affiliation, select **I'm a Student**.

For Country – State or Province, select **United States – California**.

For School, enter **San Jose State University**.

Agree to the terms and click **Register**.

3. You will receive an email from XanEdu/AcademicPub. Click the link it contains to activate your account.

4. After you do this and see the message confirming your account registration is complete, you can sign in and order the book. Format options and prices display. Both the eBook and B&W Spiral Bind versions are recommended.

Your Custom Course Materials are Ready!
Created specially for you by your instructor, XanEdu offers you the choice of a print or eBook for your class - or both!

If you are not yet registered, please take the time to do so, as this will allow you to purchase and/or access your materials.

If you have received a link to purchase your book, logging in will take you through the process of obtaining your materials.

If you already have purchased an activation code you will be able to activate and download it on the following pages.
