You're Invited: How Interactive Displays Can Transform Library Spaces For Student Engagement

Rosa Ysela Conrad

Interactive Displays

Goals:
- Engage & welcome students
- Provide a space for students
- Inspire one another
- Inform students of library services

Engagement
- Student participation & sharing
- Cultural awareness
- Share in their own words & language
- Monthly themes
- Finals week destressing stations

Social Media
- Increase activity & followers
- Promote services, events & programs
